Part 1 – Preliminary

3. Interpretation

In these regulations –

abalone means fish of the genus *Haliotis*;

abalone deed of agreement means a deed of agreement –

- (a) entered into under section 99 of the Act; or
- (b) continued in force under section 14 of the *Marine Resources (Savings and Transitional) Act 1995*;

Act means the *Living Marine Resources Management Act 1995*;

banded morwong means fish of the species *Cheilodactylus spectabilis*;

bivalve means fish of the class Bivalvia;

blacklip abalone means fish of the species *Haliotis rubra*;

child means a person who has not attained the age of 16 years;

finfish means fish of the class Osteichthyes;

fish dispatch docket means a docket relating to the movement of abalone, rock lobster or giant crab that is part of records required to be kept under the Act;

Fisheries (General and Fees) Regulations 2016
Statutory Rules 2016, No. 30

Part 1 – Preliminary

r. 3

fish merchant means –

- (a) the holder of any licence other than a fishing licence (recreational); or
- (b) a person who carries on the business of selling fish;

fish receipt docket means a docket relating to the receipt of abalone, rock lobster or giant crab that is part of records required to be kept under the Act;

fish trap has the same meaning as in the *Fisheries (Scalefish) Rules 2015*;

fishing licence (abalone dive) means a fishing licence of a kind referred to in rule 7(a)(i) of the *Fisheries (Abalone) Rules 2009*;

fishing licence (King Island kelp) means a fishing licence of a kind referred to in rule 6(a)(ii) of the *Fisheries (Marine Plant) Rules 2017*;

giant crab means crab of the species *Pseudocarcinus gigas*;

giant crab trap means a trap within the meaning of the *Fisheries (Giant Crab) Rules 2013*;

Grade 1 penalty means the penalty specified in regulation 5 of the Penalty Regulations;

Fisheries (General and Fees) Regulations 2016
Statutory Rules 2016, No. 30

r. 3

Part 1 – Preliminary

Grade 2 penalty means the penalty specified in regulation 6 of the Penalty Regulations;

Grade 3 penalty means the penalty specified in regulation 7 of the Penalty Regulations;

greenlip abalone means fish of the species *Haliotis laevigata*;

GST has the same meaning as in the *A New Tax System (Goods and Services Tax) Act 1999* of the Commonwealth;

holder of a fishing licence (abalone dive) includes a supervisor of such a licence;

licensing year means the period beginning on 1 September each year and ending at midnight on 31 August the following year;

mother boat means a fishing vessel that –

- (a) is used to transport holders of a fishing licence (abalone dive) on fishing trips for abalone; and
- (b) is used by holders of a fishing licence (abalone dive) –
 - (i) to act as a diving platform to take abalone for commercial purposes; or
 - (ii) to operate a fishing vessel, or auxiliary vessel,

Part 1 – Preliminary

r. 3

that acts as a diving platform to take abalone for commercial purposes; or

- (iii) to undertake a fishing trip which ends on a day other than the day on which it commenced;

northern blacklip area means the area of State waters adjacent to the north, north-west and north-east coasts of the mainland of Tasmania and King Island, and those State waters generally north of a line bounded in the east by an imaginary line from the northern side of the mouth of the Great Musselroe River at Musselroe Bay running due west for 100 metres, then following the shoreline 100 metres from shore to the northernmost tip of Musselroe Point, then running due north until its junction with the line of latitude 40° 48' 00" South, and running due east to the outer limit of State waters, and bounded in the west by an imaginary line from the northernmost point of Woolnorth Point to the point of latitude 40° 37' 14.40" South, longitude 144° 41' 37.87" East, then running due north to the line of latitude 40° 16' 58.41" South, and running due west to the limit of State waters.

Penalty Regulations means the *Fisheries (Penalties) Regulations 2011*;

Fisheries (General and Fees) Regulations 2016
Statutory Rules 2016, No. 30

r. 3

Part 1 – Preliminary

pensioner means a person who is –

- (a) the holder of a current Pensioner Concession Card issued in accordance with the *Social Security Act 1991* of the Commonwealth; or
- (b) the holder of a current card issued in accordance with the *Veterans' Entitlements Act 1986* of the Commonwealth;

processing operation means treating fish by one or more of the following processes:

- (a) cutting up;
- (b) breaking up;
- (c) shelling;
- (d) skinning;
- (e) shucking;
- (f) filleting;
- (g) cooking;
- (h) drying;
- (i) curing;
- (j) smoking;
- (k) voiding;
- (l) purging;

r. 3

(m) packing, for the purpose of dispatching the fish from the processing premises;

(n) freezing;

(o) canning;

rock lobster means rock lobster of the genus *Jasus* or *Sagmariasus*;

scallop means fish of the species –

(a) *Equichlamys bifrons* (commonly known as queen scallop); or

(b) *Pecten fumatus* (commonly known as commercial scallop); or

(c) *Mimachlamys asperrimus* (commonly known as doughboy scallop);

shell length, in relation to an abalone, means the diameter of the abalone shell at its widest, whether the shell is broken or chipped or not;

sporophyll means that part of an algal stem containing or producing spores;

Undaria means –

(a) exotic marine alga *Undaria pinnatifida* (commonly known as wakame); and

(b) sporophyll of that alga;

Part 1 – Preliminary

wild, in relation to any species or kind of fish, means State waters other than those to which a marine farming licence specifying that species or kind of fish relates.

PART 2 – MINIMUM SIZES

4. Taking or possessing abalone

- (1) A person must not take abalone with a shell length less than 120 millimetres unless that person is the holder of a fishing licence (abalone dive).

Penalty: Grade 3 penalty.

- (2) A person must not have possession of abalone with a shell length less than 120 millimetres unless that person –
- (a) is the holder of a fishing licence (abalone dive); or
 - (b) is the holder of a fish processing licence; or
 - (c) has bought or received the abalone from a fish merchant.

Penalty: Grade 3 penalty.

- (3) The holder of a fishing licence (abalone dive) must not take or have possession of abalone with a shell length less than 110 millimetres.

Penalty: Grade 3 penalty.

r. 5

Part 2 – Minimum sizes

5. Taking or possessing greenlip abalone

A person must not take or have possession of greenlip abalone with a shell length less than 132 millimetres.

Penalty: Grade 3 penalty.

6. Possession by fish processing licence holder

- (1) The holder of a fish processing licence must not have possession of –
 - (a) abalone with a shell length less than 110 millimetres; or
 - (b) greenlip abalone with a shell length less than 132 millimetres; or
 - (c) abalone taken from State waters with a smaller shell length than that which may legally be taken from those waters by the holder of a fishing licence (abalone dive).

Penalty: Grade 3 penalty.

- (2) Subregulation (1)(a) and (b) do not apply to abalone that has been cultivated elsewhere than in the wild.

7. Taking or possessing abalone in area A

- (1) In this regulation –

area A means the area of State waters adjacent to the south and west coasts of the mainland of Tasmania between an

imaginary straight line due south from Whale Head near South East Cape and an imaginary straight line due west from the mouth of the Wild Wave River near Sandy Cape.

- (2) The holder of a fishing licence (abalone dive) must not take, from the waters within area A, abalone with a shell length –
- (a) if the abalone is taken on or before 30 June 2024 – less than 145 millimetres; or
 - (b) if the abalone is taken after 30 June 2024 – less than 150 millimetres.

Penalty: Grade 3 penalty.

- (3) The holder of a fishing licence (abalone dive) must not, in the waters of area A or on land within one kilometre of waters within that area, have possession of any abalone, taken during a period referred to in subregulation (2), that have a shell length less than the length specified in that subregulation in respect of that period, unless –
- (a) the holder is undertaking a fishing trip on a mother boat; and
 - (b) the mother boat is –
 - (i) in State waters north of an imaginary line running due west

from Cape Sorell to the limit of
State waters; or

(ii) in Macquarie Harbour or the
channel into Macquarie Harbour;
and

(c) the abalone has a shell length of –

(i) if the abalone is in the possession
of the holder on or before
31 December 2024 – not less than
132 millimetres; or

(ii) if the abalone is in the possession
of the holder after
31 December 2024 – not less than
136 millimetres.

Penalty: Grade 3 penalty.

**7A. Taking or possessing abalone in northern blacklip
area**

(1) In this regulation –

Bass Strait area means the area of State
waters adjacent to the north coast of
Tasmania and the Furneaux Group of
islands in Bass Strait bounded in the west
by an imaginary line running from the
northernmost point of Woolnorth Point to
the point of latitude 40° 37' 14.40" South,
longitude 144° 41' 37.87" East,
then running due north to the outer limit
of State waters and bounded in the east

- (b) if the abalone is taken after 31 December 2022 but on or before 31 December 2023 – less than 130 millimetres; or
- (c) if the abalone is taken after 31 December 2023 but on or before 31 December 2024 – less than 132 millimetres; or
- (d) if the abalone is taken after 31 December 2024 – less than 136 millimetres.

Penalty: Grade 3 penalty.

(2A) The holder of a fishing licence (abalone dive) must not take, from the Musselroe Bay blacklip area, abalone with a shell length –

- (a) if the abalone is taken on or before 31 December 2022 – less than 127 millimetres; or
- (b) if the abalone is taken after 31 December 2022 but on or before 31 December 2023 – less than 130 millimetres; or
- (c) if the abalone is taken after 31 December 2023 – less than 132 millimetres.

Penalty: Grade 3 penalty.

blacklip area or on land within one kilometre of waters within that area, or in the waters of the Musselroe Bay blacklip area or on land within one kilometre of waters within that area, have possession of any abalone, taken during a period referred to in subregulation (2) or (2A), that have a shell length less than the length specified in those subregulations in respect of that period, unless –

- (a) the holder is undertaking a fishing trip on a mother boat; and
- (b) the abalone was taken legally from another part of the fishery.

Penalty: Grade 3 penalty.

- (4) The holder of a fishing licence (abalone dive) must not take abalone with a shell length less than 120 millimetres from the Bass Strait area other than the north coast blacklip area and the Bass Strait islands area.

Penalty: Grade 3 penalty.

- (5) The holder of a fishing licence (abalone dive) must not have possession of any abalone with a shell length less than 120 millimetres in the Bass Strait area (other than the north coast blacklip area and the Bass Strait islands area) unless –
 - (a) the abalone has a shell length not less than 114 millimetres; and
 - (b) the abalone was taken in the Bass Strait islands area; and

- (6) The holder of a fishing licence (abalone dive) must not have possession of any abalone with a shell length less than 114 millimetres in the Bass Strait islands area.

Penalty: Grade 3 penalty.

7B. Taking or possessing abalone in upper-west blacklip area

- (1) In this rule –

upper-west blacklip area means the area of State waters adjacent to the upper-west coast of Tasmania enclosed by an imaginary line running from the northernmost point of Woolnorth Point to the point of latitude 40° 37' 14.40" South, longitude 144° 41' 37.87" east, then running due north to the line of latitude 40° 16' 58.41" South, then running due west to the line of longitude 144° 26' 18.11" East, then running due south to the line of latitude 41° 21' 58.85" South, then running due east to the mouth of the Wild Wave River near Sandy Cape, and following the line of high water in a generally northerly

direction to the point of commencement
at Woolnorth Point.

- (2) The holder of a fishing licence (abalone dive) must not take abalone from the waters of the upper-west blacklip area with a shell length that is –
- (a) if the abalone is taken on or before 31 December 2024 – less than 132 millimetres; or
 - (b) if the abalone is taken after 31 December 2024 – less than 136 millimetres.

Penalty: Grade 3 penalty.

- (3) The holder of a fishing licence (abalone dive) must not have possession of any abalone in the upper-west blacklip area with a shell length that is –
- (a) if the abalone is taken on or before 31 December 2024 – less than 132 millimetres; or
 - (b) if the abalone is taken after 31 December 2024 – less than 136 millimetres –

unless –

- (c) the holder of the fishing licence (abalone dive) is undertaking a fishing trip on a mother boat; and

- (d) the abalone was taken legally from another part of the fishery.

Penalty: Grade 3 penalty.

- (4)

7C. Taking or possessing abalone in east coast area

- (1) In this regulation –

east coast area means the area of State waters adjacent to the east, south-east and south coasts of Tasmania bounded in the north by an imaginary line starting from the northern side of the mouth of the Great Musselroe River at Musselroe Bay, running due west for 100 metres, then following the shoreline 100 metres from shore to the northernmost tip of Musselroe Point, then running due north until its junction with the line of latitude 40° 48' 00" South and running due east to the outer limit of State waters, and bounded in the south by an imaginary straight line running due south from Whale Head near South East Cape to the outer limit of State waters.

- (2) The holder of a fishing licence (abalone dive) must not take, from the waters of the east coast area, abalone with a shell length –
- (a) if the abalone is taken on or before 31 December 2022 – less than 138 millimetres; or

- (b) if the abalone is taken after 31 December 2022 but on or before 31 December 2023 – less than 140 millimetres; or
- (c) if the abalone is taken after 31 December 2023 but on or before 31 December 2024 – less than 142 millimetres; or
- (d) if the abalone is taken after 31 December 2024 – less than 145 millimetres.

Penalty: Grade 3 penalty.

- (3) The holder of a fishing licence (abalone dive) must not, in the waters of the east coast area or on land within one kilometre of those waters, have possession of any abalone, taken during a period referred to in subregulation (2), that have a shell length less than the length specified in that subregulation in respect of that period, unless –
 - (a) the abalone does not have a shell length less than 110 millimetres; and
 - (b) the holder is undertaking a fishing trip on a mother boat; and
 - (c) the mother boat is –
 - (i) in State waters bounded in the north by the eastern boundary of the northern blacklip area and in the south by an imaginary straight

line running due east from the tip of St Helens Point to the limit of State waters; or

(ii) within the waters of Georges Bay; and

(d) the abalone was taken legally from another part of the fishery.

Penalty: Grade 3 penalty.

7D. Taking or possessing abalone in King Island greenlip area and north coast greenlip area

(1) In this regulation –

King Island greenlip area means the area of State waters adjacent to King Island bounded by the line of latitude 40° 20' 00" South in the south, the line of longitude 143° 30' 00" East in the west, the line of latitude 39° 30' 00" South in the north and the line of longitude 144° 30' 00" East in the east;

north coast greenlip area means –

(a) the area of State waters adjacent to the north coast of Tasmania bounded by an imaginary line running due north from the north coast along the line of longitude 147° 27' 00" East until its junction with the line of latitude 40° 39' 00" South, then west

along that line of latitude until its junction with the line of longitude 145° 2' 52.2" East and then south along that line of longitude; and

- (b) the area of State waters adjacent to the north coast of Tasmania known as Robbins Passage bounded on the east by an imaginary line running due north along the line of longitude 145° 2' 52.2" East and bounded on the west by an imaginary line running due north along the line of longitude 144° 55' 00" East;
- (2) The holder of a fishing licence (abalone dive) must not take greenlip abalone with a shell length less than 150 millimetres from, or have possession of greenlip abalone with a shell length less than 150 millimetres in, the King Island greenlip area, or on land within one kilometre of any waters within the King Island greenlip area.

Penalty: Grade 3 penalty.

- (3) The holder of a fishing licence (abalone dive) must not take greenlip abalone with a shell length less than 145 millimetres from, or have possession of greenlip abalone that has a shell length of less than 145 millimetres in, waters other than those in the north coast greenlip area.

Penalty: Grade 3 penalty.

- (4) The holder of a fishing licence (abalone dive) must not take greenlip abalone with a shell length less than 132 millimetres from, or have possession of greenlip abalone with a shell length less than 132 millimetres in, the north coast greenlip area.

Penalty: Grade 3 penalty.

- (5) A person who is not the holder of a fishing licence (abalone dive) must not take from, or have possession of, greenlip abalone with a shell length less than 145 millimetres in State waters, other than waters in the north coast greenlip area.

Penalty: Grade 3 penalty.

7E. Taking or possessing abalone in southern area

- (1) In this regulation –

southern area means the area of State waters adjacent to the east, south-east, south, south-west and west coasts of Tasmania bounded in the north on the east coast by an imaginary line from the northern side of the mouth of the Great Musselroe River at Musselroe Bay running due west for 100 metres, then following the shoreline 100 metres from shore to the northernmost tip of Musselroe Point, then running due north until its junction with the line of latitude 40° 48' 00" South, and then running due east to the outer limit of State waters, and bounded in the

north on the west coast by an imaginary line running due west from the mouth of the Arthur River to the limit of State waters.

- (2) A person who is not the holder of a fishing licence (abalone dive) must not take abalone with a shell length less than 138 millimetres from the southern area.

Penalty: Grade 3 penalty.

- (3) A person who is not the holder of a fishing licence (abalone dive) must not possess any abalone with a shell length less than 138 millimetres in the southern area, or on land within one kilometre of any waters within the southern area, unless that person –

- (a) is the holder of a fish processing licence; or
- (b) has bought or received the abalone from a fish merchant.

Penalty: Grade 3 penalty.

8. Taking or possessing certain abalone

- (1) A person must not take or have possession of any abalone with a shell length less than 110 millimetres that has been cultivated elsewhere than in the wild unless the person –

- (a) is the holder of a marine farming licence authorising abalone farming; or

- (b) is acting with the authority of the holder of such a licence; or
- (c) is the holder of a fish processing licence who has bought or received the abalone from the holder of a marine farming licence authorising abalone farming; or
- (d) has bought or received the abalone from a fish merchant.

Penalty: Grade 3 penalty.

- (2) A person must not take or have possession of any greenlip abalone with a shell length less than 132 millimetres that has been cultivated elsewhere than in the wild unless the person –
- (a) is the holder of a marine farming licence authorising abalone farming; or
 - (b) is acting with the authority of the holder of such a licence; or

Penalty: Grade 3 penalty.

PART 3 – FEES

9. Beach price for abalone deed of agreement

(1) In this regulation –

abalone purchaser means a person who has purchased more than 80 tonnes of abalone in the preceding 12 months.

(2) For the purpose of fees payable under an abalone deed of agreement, the beach price is the average price per kilogram of abalone paid by abalone purchasers to the holders of fishing licences (abalone quota), holders of fishing licences (abalone) or holders of fishing licences (abalone dive).

(3) The price per kilogram of abalone paid must be the true value taking into account –

(a) each payment and other forms of payments; and

(b) any rights, privileges or benefits paid directly or indirectly for the abalone.

10. Fee under 1994 abalone deed of agreement

(1) In this regulation –

1994 abalone deed of agreement means the deed of agreement made on 30 June 1994 pursuant to section 7 of the former *Fisheries Act 1959* in respect of the right to take and acquire abalone for

commercial purposes in State fishing waters, as –

- (a) continued in force under section 14 of the *Marine Resources (Savings and Transitional) Act 1995*; and
- (b) renewed under clause 4 thereof for a term of 10 years commencing on 1 January 2004 (*the renewed term*);

fee means the fee referred to in clause 5.2 of the 1994 abalone deed of agreement;

next 2 terms, of the 1994 abalone deed of agreement, means the 2 terms immediately following the renewed term.

- (2) Pursuant to clause 4.5 of the 1994 abalone deed of agreement, the fee to be paid during the next 2 terms of that deed of agreement is a fee determined in accordance with Schedule 3.

11. Fees

- (1) The fees specified in Part 1 of Schedule 1 are prescribed as the fees payable in respect of the fishing licence matters to which they respectively relate.
- (2) The fees specified in Part 2 of Schedule 1 are prescribed as the fees payable in respect of the fish processing licence matters to which they respectively relate.

SCHEDULE 3 – FEE UNDER 1994 ABALONE DEED OF AGREEMENT

Regulation 10

1. Interpretation

In this Schedule –

billing period means billing period under clause 5 of the 1994 abalone deed of agreement;

BP or *beach price* means the beach price calculated under regulation 9;

Fee% means the fee percentage calculated under clause 3;

financial year means the 12-month period commencing on 1 July in any year;

relevant billing period, for a fee, means the billing period for which the fee is to be calculated.

2. Calculation of fee

The fee is to be determined in accordance with the following formula:

$$\text{Fee} = \text{BP} \times \text{Fee}\%$$

Fisheries (General and Fees) Regulations 2016
Statutory Rules 2016, No. 30

sch. 3

3. Fee percentage

- (1) The fee percentage is to be calculated in accordance with the following table:

Fee percentage per kg	@	Indexed beach price
0.00%	@	\$7.00 and below
4.00%	@	\$7.01 to \$29.99
4.00%	@	\$30.00
12.00%	@	\$70.00 and all beach prices thereafter

- (2) For the purposes of the table in subclause (1), the BP is to be indexed in accordance with the following formula:

$$\text{Indexed beach price} = \frac{\text{BP}}{i_1}$$

where –

i_1 is indexation, calculated under subclauses (3) and (4), of the value of a fee unit.

- (3) The formula for the purposes of the definition of i_1 in subclause (2) is:

$$i_1 = i_0 \times \frac{B}{C}$$
